## CHRISTLIFE TRAINING *for* **DISCOVERING CHRIST**

Have you ever wondered about the meaning of life? Do you want to help others find the answers to their deepest questions? ChristLife's Discovering Christ course invites others to hear the Good News and personally encounter the person of Jesus.

ChristLife equips parishes around the country to:

- Revitalize Catholics in parishes
- Reach fallen away Catholics
- Evangelize all people to Jesus Christ!

Gather a parish team and join ChristLife trainers to learn how to evangelize with the Discovering Christ course, whether in an online or in-person context.

Discovering Christ will give your parish everything it needs to evangelize and grow in relationship with Jesus this Lent within a parish or small group context.

Discovering Christ is the first course in ChristLife's three-part relational evangelization process. Over 1,000 parishes have used this Christ-centered process to ignite the new evangelization and missionary discipleship in their communities. Training for Following Christ and Sharing Christ will be provided later in 2021.
